

### **WHAT IS A DANCE WEEKEND?**

Richniks and Club Med bring in professional dance teachers to teach and perform.

### **WHO ARE THE PROFESSIONALS?**

We have World Champions past and present. They are diversified to represent all types of ballroom, swing and Salsa. Check the "Club Med Sandpiper" website because we add names weekly.

### **DO I PAY EXTRA FOR LESSONS AND SHOWS?**

No, they are included in the cost of the weekend. There are shows every night. There are four workshops each day and you will have a choice of 3 or 4 lessons each hour. If you decide to have a private lesson, you can pay the professional directly.

### **WHAT HAPPENS IF I AM A BEGINNER AND MY PARTNER IS ADVANCED, HOW DO WE HAVE LESSONS?**

All lessons are designated as beginner, intermediate or advanced. You, as an individual choose which lesson you take. There will be plenty of time to do free dancing to DJ's and bands so that you and your partner will be able to dance together.

### **ARE THERE THEME NIGHTS?**

Every night we will have ballroom, swing, hustle and salsa themes. Friday is "Red, White and Blue" patriotic night. Saturday is the "White Ball", everyone wears white.

### **IF I AM ALONE, CAN YOU MATCH ME UP WITH SOMEONE?**

We will have "roommate shares". No smoking. Please give us your age to better match you with someone.

### **HOW DO I DRESS?**

The weekend is considered a regular casual Club Med vacation. At night we suggest better casual.

### **WILL I BE ABLE TO LEARN A LOT?**

That depends on you. The lessons are there and you can participate and then practice all day and night.

### **ARE THERE DANCE HOSTS?**

We do have hosts that participate in lessons and open dancing.

### **ARE FOOD, DRINK AND ALL ACTIVITIES INCLUDED?**

All "inclusive" Club Med is available just like any other vacation; however, motorized sports are additional. Lessons galore! Tennis, sailing, circus, etc. You don't need to open your wallet.

### **DO I HAVE TO COME FOR THREE NIGHTS?**

You can come for a full week or choose your nights.
